50X1-HUM

c. About eight motor torpedo boats

d. [redacted] auxiliary craft, already reported, [redacted] anchored near the entrance to the shipyard basin, and two other auxiliary craft, [redacted] also lying along the western side of the harbor canal, further south than the above. The silhouette of these craft is as follows:

e. An unarmed transport flying the Soviet naval flag [redacted] entered the harbor [redacted] and unloaded, inter alia, many wooden cases about 0.70 meters square in the shipyard basin. Her silhouette was as follows:

This ship had not been seen before. She is described as about 80 meters long, with a large hatch in the fore part of the ship with a very strong mast and four strong booms. The fore part of the ship is covered, and she is of about 10,000 GRT. Her crew numbered about 80 men, and a number of women were seen on board.

50X1-HUM

3. [redacted] the Soviet garrison carried out a night exercise between the hours of 2000 and 2330. A number of searchlights and piston aircraft took part, but there was no shooting.
